DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner of Patents and Trademarks**

The reply filed on 12/03/02 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): a mark-up copy to the substitute specification filed 12/03/02 is required. Further, the Office Action mailed 9/11/02 required drawing corrections for figures 8-12. Applicant provided drawing corrections for figures 1 and 11-13. Drawing corrections for figures 1 and 13 were not required. In addition, the substitute specification provided 12/3/02 indicates figures 1-28. Applicant's original set of drawings does not correspond to the new specification number of drawings. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christopher Grant whose telephone number is (703) 305 4755. The examiner can normally be reached on Monday-Friday 8:00am - 5:30pm
